

Sniffex::print_payload

```
graph LR; A[Sniffex::print_payload] --> B[Sniffex::print_hex_ascii_line]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text 'Sniffex::print_payload'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'Sniffex::print_hex_ascii_line'.

Sniffex::print_hex
