

BrainHarmonics/mapper.cpp

```
graph TD; A[BrainHarmonics/mapper.cpp] --> B[Aria.h]; A --> C[mapper.h];
```

The diagram illustrates a C++ source file, `BrainHarmonics/mapper.cpp`, which includes two header files. Two blue arrows originate from the bottom of the `mapper.cpp` box and point to the `Aria.h` and `mapper.h` boxes below it.

Aria.h

mapper.h
