

Synapse::SendTransmitter
Spike

```
graph LR; A[Synapse::SetSynapseDeviceTag] --> B[Synapse::SendTransmitter Spike];
```

A diagram showing a call from `Synapse::SetSynapseDeviceTag` to `Synapse::SendTransmitter Spike`. The call is represented by a blue arrow pointing from the right box to the left box. The left box is shaded gray, and the right box is white.

Synapse::SetSynapseDeviceTag
